Designed to strengthen your brand, *elevate perception* & support your growth.

Luxury brand photography.

FOR HER Studios.

You've built the business. Built the reputation. Built the client base.

Now it's time to build the brand that reflects it.

At For Her Studios, every session is designed with one goal: *to create strategic imagery* that positions you as the premium business you already are.

This isn't about taking beautiful photographs. It's about creating visuals that build trust, communicate expertise and give you the confidence to show up consistently across every part of your business.

Whether you're refreshing your website, launching a new treatment, stepping into education or preparing to increase your prices, your imagery should work just as hard as you do.

Business *Branding* Shoots.

The *Portrait* Session.

A focused headshot session for the modern professional.

30-minute studio session

Not every founder needs a full branding shoot to start with. Sometimes, all you need is a strong first impression.

The Portrait Session is a focused headshot experience designed for professionals who need polished, high-quality imagery that introduces them with confidence.

Whether you're updating your website, professional profile or marketing materials, you'll leave with timeless portraits that build trust before you've even introduced yourself.

Includes:

- Studio in Brentford, West London
- 30-minute guided headshot session
- Professional creative direction & posing
- 1 outfit | Up to 2 props
- 5 professionally edited images
